In Re: Annual Review of Base Rates for Fuel Costs of Duke Energy Progress,  
LLC (For Potential Increase or Decrease in Fuel Adjustment)  
**Docket No. 2022-1-E**

Dear Ms. Boyd:

Pursuant to Vice Chair Belser's request at the June 6, 2022, hearing in the above-referenced docket, the South Carolina Coastal Conservation League and Southern Alliance for Clean Energy ("CCL/SACE") mailed a Corrected Confidential Version of the Direct Testimony of Gregory M. Lander to the Commission today. The original Confidential Testimony contained a formatting error that caused the pagination to be inconsistent with the Public Version of Mr. Lander's Direct Testimony, beginning on page 6. The Corrected Confidential Testimony makes no substantive changes, but simply corrects this error so the pagination is consistent with the Public Version. The Commission granted CCL/SACE's motion for confidential treatment of Mr. Lander's direct testimony at the June 6, 2022, hearing, and we request that the document remain under seal. Please contact me if you do not receive the filing by Thursday, June 9<sup>th</sup> or if you have any further questions.

Sincerely,

s/Kate Mixson
